Vendor: Benson Kimathi Gikungute

Bensonkimathi93@gmail.com

0702566209

Date: 1st March 2026

Recipient: Procurement Office, Kenya Chamber of Mines (KCM)

Validity: 60 Days

1. Profile

I am an IT and web development professional based in Nairobi focused on providing personalized enterprise-level cybersecurity and high-availability web management for corporate and institutional clients.

I offer professional maintenance at competitive rates with personalized support in front-end maintenance and SEO optimization of websites.

2. Services Scope

- **Balanced Pricing:** High-quality service at a competitive rate.
- **Personalized Support:** Specialized in front-end maintenance and SEO optimization for all updates.
- **Fast Response:** 4-hour response time for critical issues and 24-hour for updates.
- **Security Scanning:** Monthly scans for website security and malware vulnerabilities.
- **Monthly Backups:** Full-site off-site backups every month.
- **Link Verification:** Quarterly audit of all internal and external links.
- **Form Monitoring:** Testing of contact forms and lead generation inputs.

3. Financial Proposal

Description	Frequency	Annual Cost (KES)
Professional AMC	Annual	120,000.00
Basic Security Pack	Annual	Included
Quarterly Performance Reports	Quarterly	Included
VAT (16%)	One-time	19,200.00
Total Annual Investment		139,200.00

Payment Terms: Semi-annual invoicing, flexible to quarterly upon request.

I am confident that I will offer excellent value for money and reliable, personal service. I would welcome the opportunity to discuss the proposal further and provide other necessary documents upon request.
